

# It's the vibe of it

AUSSIE HOP SERIES

PALE ALE 6 WAYS

One classic pale ale.  
Six extraordinary Aussie hops.  
Six inspired snack pairings.

## FUNKY FRESH

A bit creamy, a bit funky, smooth as bitterness and heaps of fruit.

Goes real nice with **It's the vibe of it** and **Tell him he's dreamin'**.

## SIMPLE & SAVOURY

A good salty crunch. Proves that beer and snacks matter, don't they?

Goes real nice with **Dale dug a hole** and **Tell him he's dreamin'**.

## DELICIOUS DESSERT

Sorta sweet like caramel/ crystal malt, with some complexity goin' on.

Goes real nice with **Tell him he's dreamin'** and **Dale dug a hole**.

## BITTERSWEET SYMPHONY

Kinda like a Milk Stout with that roasty richness and silky bitterness.

Goes real nice with **How's the serenity?** and **Dale dug a hole**.

## SWEET & LUSH

An oaty sweetness that's got some real body to it. Fills ya up like a Hazy IPA.

Goes real nice with **Straight to the poolroom** and **It's the vibe of it**.

## CLEAN & CRISP

Bit like a pilsner base - makes the fruit pop and the bitterness stand out.

Goes real nice with **What do ya call this?** and **Straight to the poolroom**.

WE ROPED IN LINDSY GREIG TO DISH OUT SOME SNACK PAIRINGS SO YOU CAN REALLY TREAT YOUR TASTE BUDS.

Lindsy's a Certified Cicerone®, Hop Trader, Brewer, Beer Educator, and former Cheesemonger who reckons an incredible pairing doesn't have to be too fancy. These ones are meant to taste like different beer styles or malt profiles so you can picture how the hops would go in everything from a pilsner to a stout. Trust us, you'll swing by the local supermarket before you go cracking any of these cans. You can find Lindsy on all socials @talkbeerdytome
